

1 BILL NO. S-83-06-26

2 SPECIAL ORDINANCE NO. S-120-83

3 AN ORDINANCE approving Agreement for  
4 a Sanitary Sewer between Leo-Cedarville  
5 Regional Sewer District, and the City  
6 of Fort Wayne, Indiana.

7 NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF  
8 THE CITY OF FORT WAYNE, INDIANA:

9 SECTION 1. That Agreement for a Sanitary Sewer dated  
10 June 8, 1983, between the Leo-Cedarville Regional Sewer District  
11 and the City of Fort Wayne, by and through its Mayor and the  
12 Board of Public Works for:

13 the transfer of the ownership of approxi-  
14 mately 6000 ft. of 15" sanitary sewer to  
15 City Utilities described as follows:

16 A part of Fractional Section 4, Township  
17 31 North, Range 13 East, St. Joseph Town-  
18 ship, Allen County, Indiana, being a strip  
19 of land 15 feet in width along the West  
20 side of and adjoining the following de-  
21 scribed line:

22 Beginning on the East line of real estate  
23 owned by Indiana & Michigan Electric Company,  
24 at a point located 1618.78 feet West and 2735  
25 feet South of the Northeast corner of said  
26 Section 4; thence continuing South on the  
27 property line a distance of 1050 feet more  
28 or less, to the low water line of the St.  
29 Joseph River and a strip of land 25 feet in  
30 width along the East side of and adjoining  
31 the following described line:

32 Beginning on the North line of said fractional  
Section 4 at a point 1618.78 feet West of the  
Northeast corner thereof, thence South along  
the property line a distance of 2947.58 feet  
and a part of lot 6 of Trease Estates Plat  
"A" situated in the Southwest Fractional  
Quarter Section 31, Township 32 North, Range  
13 East, Cedar Creek Township, Allen County,  
Indiana, and described as follows:

25 feet in width along the Easterly side of  
and adjoining the following described line:

Beginning on the South line of said Section  
31 at a point 232.32 feet East of the inter-  
section of said South line and the centerline  
of Old Leo Road (1618.78 feet West of the N.E.  
corner of Section 4, Township 31 North, Range  
13 East) thence North parallel to the existing

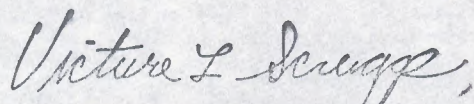

1 Page Two

2  
3 oil pipeline easement 69.4 feet, thence with  
4 a deflection left at 36° 50' 30" a distance  
5 of 51.0 feet to the right of way of the Old  
6 Leo Road and a line in and along the South-  
east right of way of the Old Leo Road in a  
Northeasterly direction, a distance of 21.38  
feet;

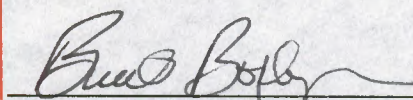

7 involving an Indirect Expenditure of Sixteen Thousand Two Hundred  
8 Ninety-Five and 64/100 Dollars (\$16,295.64), which will be credited  
9 to the District's monthly sewage bill beginning on January 1, 1984;  
10 future connections into the 15" sanitary sewer will pay a connec-  
11 tion fee to recoup this purchase price in full; all as more parti-  
12 cularly set forth in said Agreement, which is on file with the  
13 Office of the Board of Public Works and is by reference incor-  
14 porated herein, made a part hereof, and is hereby in all things  
15 ratified, confirmed, and approved. Two (2) copies of said Agree-  
16 ment are on file with the Office of the City Clerk and made  
17 available for public inspection, according to law.

18 SECTION 2. That this Ordinance shall be in full force  
19 and effect from and after its passage and any and all necessary  
20 approval by the Mayor.

AGREEMENT FOR THE PURCHASE OF A SANITARY SEWER LINE

This agreement is executed and entered into this 8 day of June, 1983, by and between LEO-CEDARVILLE REGIONAL SEWER DISTRICT, a regional sewer district established pursuant to Indiana law (hereinafter referred to as "Seller") and THE CITY OF FORT WAYNE, INDIANA, a municipal corporation of the State of Indiana (hereinafter referred to as "Buyer") and witnesses that:

WHEREAS, the Seller has caused to be constructed a regional sewage collection system within the confines of Sewer District as outlined in red on "Exhibit A" attached hereto and made part hereof,

WHEREAS, the Seller did on the 19th day of October, 1977, enter into an AGREEMENT with the Buyer agreed to treat the sewage collected by the regional sewage collection system, and

WHEREAS, the Seller has caused to be constructed a 15 inch gravity sewer line shown in blue on "Exhibit A" for the purpose of transporting said sewage to a sanitary interceptor owned by the Buyer, and

WHEREAS, the Buyer seeks to purchase and the Seller desires to sell said sewer line described as follows:

A part of Fractional Section 4, Township 31 North, Range 13 East, St. Joseph Township, Allen County, Indiana, being a strip of land 15 feet in width along the West side of and adjoining the following described line:

Beginning on the East line of real estate owned by Indiana & Michigan Electric Company, at a point located 1618.78 feet West and 2735 feet South of the Northeast corner of said Section 4; thence continuing South on the property line a distance of 1050 feet more or less, to the low water line of the St. Joseph River and a strip of land 25 feet in width along the East side of and adjoining the following described line:

Beginning on the North line of said fractional Section 4 at a point 1618.78 feet West of the Northeast corner thereof, thence South along the property line a distance of 2947.58 feet and a part of lot 6 of Trease Estates Plat "A" situated in the Southwest Fractional Quarter Section 31, Township 32 North, Range 13 East, Cedar Creek Township, Allen County, Indiana, and described as follows:

25 feet in width along the Easterly side of and adjoining the following described line:

Beginning on the South line of said Section 31 at a point 232.32 feet East of the intersection of said South line and the centerline of Old Leo Road (1618.78 feet West of the N.E. corner of Section 4, Township 31 North, Range 13 East) thence North parallel to the existing oil pipeline easement 69.4 feet, thence with a deflection left at  $36^{\circ} 50' 30''$  a distance of 51.0 feet to the right of way of the Old Leo Road and a line in and along the Southeast right of way of the Old Leo Road in a Northeasterly direction, a distance of 21.38 feet.

WHEREAS, said Seller has obtained easements attached as Exhibit B, C and D enabling the Seller to construct the sewer line over property owned by the Corporation identified in said Exhibits, and

WHEREAS, the Seller has obtained all permits necessary to construct said sewer line in the right-of-way of the Old Leo Road, and

WHEREAS, in the above mentioned AGREEMENT between the Buyer and the Seller, the Seller was required at his own cost to install all necessary monitoring equipment at the point where Seller connected to Buyer's Sanitary Sewer Interceptor, said point marked in yellow on "Exhibit A", and

WHEREAS, no monitoring devices were installed at point identified in yellow on "Exhibit A", and

WHEREAS, the total cost to the Seller for constructing the referenced line, as it is constructed without the monitoring device was \$13,579.70, and

WHEREAS, the Seller, in accord with the above mentioned agreement, has caused to be installed all required measuring devices at Lift Station Number One on State Road One in Cedarville, said point is not included in the gravity line identified above, and

WHEREAS, the Seller has accepted said sewer line from its construction contractor and said sewer line is currently in use.

NOW, THEREFORE, in consideration of the foregoing statements, the following terms are hereby agreed upon between the parties for the purchase of said sewer line:

1. The Seller will assign, transfer and convey all right, title and interest in the sewer line described above including all warranties

and easements shown on Exhibit B, D and D attached hereto and made part hereof.

2. The Buyer will pay the Seller the sum of Sixteen Thousand Two Hundred Ninety-five and 64/100 Dollars (\$16,295.64) as full and final payment for said sewer line. Said payment will be made to Seller as follows:

A. Commencing on January 1, 1984, Buyer will credit on a monthly basis for the amount of the Buyer's service charge to the Seller. It is the intention of the parties that the Seller will not be required to pay its monthly charge for sewage treatment to the Buyer until such a time as the credit in the amount of \$16,295.64 has been eliminated through these payments.

B. Said sum or the unpaid balance thereof, will bear interest at the rate of twelve percent (12%) per annum from the date of the execution of this agreement.

3. The Buyer recites that he has inspected said sewer line and agrees to indemnify and hold harmless the Seller from any damages resulting from any defect in said sewer line.

4. The Buyer agrees to, at its own cost, install whatever monitoring equipment is necessary to change the tap in point marked in green on Exhibit A attached hereto, except that the installation and operational cost of the flow measuring devices contained at Lift Station Number One on State Road One shall remain the responsibility of the Seller.

5. Buyer recites that any owner or owners of any land which is now, or hereafter located outside the corporate limits of the City of Fort Wayne who connect into the sewer line identified above shall be deemed to thereby waive his, her, their, or its right to remonstrate against or otherwise object to, interfere with or oppose any pending or future annexation by the City of Fort Wayne of such land or of the territory which is or will be served by said sewer line except that the foregoing shall not be applicable to the connection of the Leo-Cedarville Regional Sewer District.

6. The Seller shall record a copy of this agreement in the Allen County Recorder's Office within ten (10) days of its adoption and approval by the Common Council of the City of Fort Wayne.

7. This agreement shall remain in full force for a period of one

(1) year from the date of its execution and the effective date for the transfer of the ownership of said line shall commence after Paragraph 1 has been completed and Buyer grants the first credit set out in Paragraph 2.

8. This Agreement shall be to the benefit of, and shall be binding upon, the parties to this agreement as well as their successors and assigns.

IN WITNESS WHEREOF, the undersigned have executed and entered into this Agreement for the Purchase of a Sanitary Sewer Line this 8 day of

June, 1983.

EASEMENT GRANT

*Jan D. Uebelacker*  
 AUDITOR OF ALLEN COUNTY,

THIS INDENTURE WITNESSETH: INDIANA & MICHIGAN ELECTRIC COMPANY, an Indiana corporation, (hereinafter called "Grantor"), for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, does hereby give and grant but without warranty, insofar as its present title enables it to do so, to LEO-CEDARVILLE REGIONAL SEWER DISTRICT, an Indiana corporation, (hereinafter called "Grantee"), a right of way and easement 15 feet in width, to construct, maintain, and operate one sanitary sewer line along with ground level and underground appurtenances in, under, and along the real estate of Grantor (hereinafter called "Grantor's Real Estate") situated in Section 4, Township 31 North, Range 13 East, St. Joseph Township, Allen County, State of Indiana, more particularly described as follows, to-wit:

INSTRUMENT L 9343

A part of the fractional Section 4, Township 31 North, Range 13 East, St. Joseph Township, Allen County, Indiana, described as follows:

A strip of land 15 feet in width along the West side of and adjoining the following described line:

Beginning on the East line of real estate owned by Indiana & Michigan Electric Company, at a point located 1618.78 feet West and 2735 feet South of the Northeast corner of said Section 4; thence continuing South on the property line a distance of 1050 feet, more or less, to the low water line of the St. Joseph River.

ALSO, a 25 foot temporary easement for construction purposes lying directly West of and adjoining the above described 15 foot easement.

## IT IS UNDERSTOOD AND AGREED:

1. Grantee assumes all risk of injury that it or its agents, servants, employees, and parties using Grantor's Real Estate may sustain be reason of the towers, poles, foundations, lines, wires, cables, conduits, and any other equipment, apparatus, structures, and property of Grantor and the use thereof by Grantor, and hereby releases Grantor from all liability therefor, and covenants to indemnify and hold harmless the Grantor against any and all liability for damages in the premises.

2. The Grantee shall at all times, indemnify, protect, defend, and save harmless Grantor against any and all actions, suits, proceedings, losses, claims, demands, liabilities, damages, and expenses (including court costs and attorneys' fees) which Grantor may incur or suffer on account of, arising out of, or incidental to some act or omission on the part of Grantee in connection with the existence of enjoyment of, or the exercise by, the Grantee, its agents, servants, employees, contractors, and invitees of, any or all of the rights, titles, interests, and privileges herein granted by the Grantor to the Grantee, except where proximately caused by the negligence of the Grantor, its agents, servants, employees, contractors, and invitees, provided however, that Grantor shall not be deemed to be at fault or negligent in assuming, without investigation that it may safely cross Grantee's storm sewer with machinery, equipment, and vehicles.

SEP 26 PM 2:24

ALLEN COUNTY RECORDER

*John E. Uebelacker*

3. The easement rights herein granted to Grantee shall be at all times subject and subordinate to the possession and use of Grantor's Real Estate by the Grantor for the erection, maintenance, operation, and repair of its towers, poles, foundations, lines, wires, cables, conduits, or any other equipment, apparatus, structures, or property of Grantor now or hereafter erected in, upon, over, under, across, and along Grantor's Real Estate, and for all utility and corporate purposes.

4. Said sewer shall not exceed eighteen (18) inches in diameter and shall be installed, maintained, and operated at sufficient depth below the surface of the ground to permit the covering over of the sewer line to be dressed off level to the adjacent ground level and in accordance with applicable rules, regulations, standards, ordinances, codes, and statutes governing installation, maintenance, and operation of said sewer and so as not to interfere in any manner whatsoever with drainage ditches, culverts, and drains. Grantee shall bear the entire cost and expense of constructing, reconstructing, and maintaining said sewer upon said real estate and Grantor shall never be or become liable for such costs and expenses or any portion thereof. Grantee agrees that all work upon or in connection with said sewer shall be done in a workmanlike manner and at such times and in such a manner as not to interfere in any way whatsoever with the operations of Grantor. The plans for the construction of said sewer shall be subject to the approval of Grantor.

5. Grantee agrees that neither it, its servants, agents, employees, contractors, licensees, nor any other person, firm, company, or corporation permitted by Grantee to enter upon the above described real estate, shall operate any machine, apparatus, or other piece of equipment closer than the greater distance permitted by OSHA regulations or other rules governing clearance to any of Grantor's electric lines, conductors, towers, or any other facilities or structures on Grantor's Real Estate.

6. Grantor's Real Estate shall be used by Grantee in such manner as not to injure or interfere with the towers, poles, foundations, lines, wires, cables, conduits, or any other equipment, apparatus, structure or property of Grantor now or hereafter placed in, upon, over, under, across, and along said real estate. All damage to any or all of the aforesaid property of Grantor resulting from the construction, operation, and maintenance or removal of said sewer shall be promptly paid by Grantee.

7. In the event that the use to which Grantor may, from time to time, desire to devote the lands of Grantor is such that Grantor deems it necessary or desirable that the sewer of Grantee and the appurtenances thereto, or any part thereof be relocated, moved or in any way rearranged within or upon said lands, then, in each such event, Grantee, at its own sole cost and expense, will make such rearrangement of its facilities so as to comply with the Grantor's desires and wishes within a reasonable time after being notified in writing by Grantor.

8. In the event, at any time, of any default by the Grantee in the performance of any of the covenants or agreements on its part to be kept and performed, the Grantor may thereupon terminate this easement and all the rights in connection therewith by giving 30 days' notice in writing to Grantee, and upon the expiration of said 30 day period, this easement shall terminate and no longer be of any force and effect; and, thereupon, Grantee shall, if so directed by Grantor, immediately remove said sewer and appurtenances from Grantor's Real Estate at its own risk and expense and restore the said premises to as substantially good condition as the same were in immediately prior to the laying of said sewer line.

9. If Grantee shall at any time abandon said easement and right of way and cease to use same for and during a period of one year, or if Grantee fails to employ this easement and right of way for the purpose for which it was granted, this easement and right of way shall terminate and all rights shall revert to Grantor as fully and completely as if this easement and right of way had never been granted. Grantor reserves the right to require Grantee to remove all its improvements or other property located thereon. If Grantor exercises this right, Grantee covenants to remove all its improvements or other property located thereon within thirty (30) days after written notification from Grantor so to do and restore Grantor's property and improvements to at least the same condition in which they were prior to Grantee exercising its easement rights.

10. This grant is made subject to all licenses, leases, easements, conditions, covenants, encumbrances, liens, rights of persons in possession, and claims of title which may affect said real estate.

11. Upon completion of the installation of said sewer and upon completion of any maintenance of other activity taken by Grantee in connection with said sewer, Grantee shall restore Grantor's Real Estate and improvements, including roadways, gates, fences, thereon to the same level, contour, and general condition as existed on Grantor's real estate immediately prior to such act. Grantee shall not move or pile spoil from its excavations to obstruct the natural drainage and flow of water and shall repair or replace all drains and ditches to the same condition as they were immediately prior to the Grantee's use of said easement. Grantee shall dispose of any excess earth from Grantor's Real Estate in such a manner as Grantor may direct.

12. The said storm sewer shall be installed and maintained upon said strip herein described so as to permit Grantor to cross said storm sewer with machinery, equipment, and vehicles without danger of: injury to the servants, agents, employees, contractors, licensees and invitees of Grantor or Grantee; or damage to the property of Grantor or Grantee or adjoining property owners. Grantee shall further maintain or provide satisfactory routes of access during the time of construction across or through the easement areas for the use and benefit of the Grantor and its agents and/or lessees, and any party having easement rights primarily for ingress and egress and utility purposes.

14. All notices or demands hereunder may be served on Grantor by certified mail, addressed to Grantor at 2101 Spy Run Avenue, Fort Wayne, Indiana 46805, and on Grantee by certified mail, addressed to Grantee at P.O. Box 86, Leo, Indiana 46765.

15. This indenture contains all the terms and conditions of this easement, express or implied, and shall be binding upon and inure to the benefit of the respective successors and assigns of the parties hereto.

16. Grantor, through its duly authorized officers, certifies under oath that no Indiana gross income tax is due or payable at this time in respect to the transfer made by this indenture.

IN WITNESS WHEREOF, the Grantor hereto has caused this document to be executed by its duly authorized officers this 13th day of July, 1978.

GRANTEE shall promptly repair, replace or reimburse Grantor  
for any damage to fences or to growing crops caused by the con-  
struction, operation and maintenance of Grantee's facilities. Said  
temporary easement as above described is to be used only until such  
sewer construction is completed by the Leo-Cedarville Regional  
Sewer District.

TITLE OF ORDINANCE    Agreement between City & Leo-Cedarville Regional Sewer District, to  
                                 purchase a 15" sanitary sewer.

DEPARTMENT REQUESTING ORDINANCE    Board of Public Works    S-83-06-36

SYNOPSIS OF ORDINANCE    This purchase agreement provides for the transfer of the owner-  
ship of approximately 6000 ft. of 15" sanitary sewer to City Utilities for the sum  
of \$16,295.64 from the Leo-Cedarville Regional Sewer District. This purchase price  
will be credited to the District's monthly sewage bill beginning on Jan. 1, 1984.  
The future connections into the 15" sanitary sewer will pay a connection fee to  
recoup this purchase price in full.

EFFECT OF PASSAGE    Transfer to 6000 ft. of 15" san. sewer to City Utilities.

EFFECT OF NON-PASSAGE

MONEY INVOLVED (DIRECT-COSTS, INDIRECT EXPENDITURE, -EXPENDITURE, -SAVINGS)    \$16,295.64

ASSIGNED TO COMMITTEE
